EUROPEAN GOLF ASSOCIATION

MESSAGE FROM THE PRESIDENT

MR JUAN ANTONIO ANDREU

I wish to express warm and Best Wishes to all players and Captains from European Teams, who will compete for this year's Juniors Championship.

In Mariánské Lázně Golf Club, where this Competition will be held for the first time, Golf will become our medium for people to people understanding. What really counts is your presence, and all of you assembled together in the spirit of Amateurism. It is in this spirit and friendship among people that we welcome players, Captains, delegates and other visitors travelling to this wonderful land of Czechoslovakia.

I want to thank especially the Czechoslovak Golf Federation which accepted the responsibility of the organisation making a great effort. I hope the Competition will contribute to the development of Golf in this country.

Every good wish for fine Competition and my most cordial welcome to all of you.

Sincerely,

Juan A. Andreu m. p.

1979
Juan A. Andreu

WELCOME AND GREETINGS TO THE PARTICIPANTS OF THE XIXTH EUROPEAN JUNIOR GOLF TEAM CHAMPIONSHIP

This competition is the most important one in the history of our sport and we greatly appreciate the decision and the confidence of the European Golf Association in commissioning us with its organising.

It was exactly 75 years ago when golf was first played in our country and we are pleased that we are entrusted with the organisation of such an important competition at the occasion of this anniversary. We are convinced that this will contribute to the popularity of golf and the lovely spa — Mariánské Lázně.

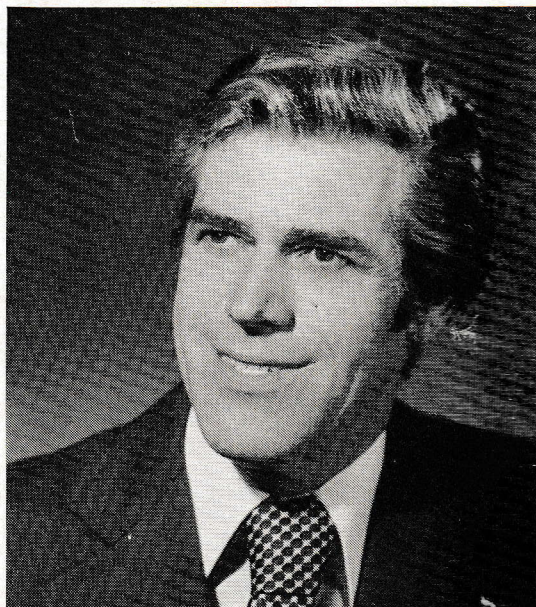

We thank the City of Mariánské Lázně and the Central Committee of the Czechoslovak Physical Training Federation for the support given in the organisation and we hope, that the players will find good conditions for achieving the best results and that all the participants and visitors will be leaving us with the best impressions and remembrances.

Doc. Ing. Ivan Rais, Csc

President

Czechoslovak Golf Federation

Ivan Rais

WELCOME IN MARIÁNSKÉ LÁZNĚ

The pleasant surroundings of refreshing green with pleasure parks and enchanted woods make the natural frame of Mariánské Lázně — city with the vocation to restore and strengthen the health. The beauties of the nature together with forty healing springs create thus a complex of spas and important center of Trade Unions recreational facilities.

Baths and sport complement each other in Mariánské Lázně — especially golf and tennis are often considered as a part of the treatment. Therefore the tradition of golf in Mariánské Lázně is long standing.

In 1979 we not only celebrate the 75th anniversary of golf in Mariánské Lázně but it has also become a year of European Junior Golf Championship here, in the sport so important for spa treatment and recreation.

Sport strengthens health, leads young people to noble interests, develops their physical as well as intellectual capacities. And it is namely in the socialist society where the possibility to practice golf as a sport is being given to anyone who is genuinely interested. We welcome in Mariánské Lázně this important competition of young promising representatives of Europe. Golf competitions have become inseparable addition to the summer spa season and add to the publicity of the good name of our city.

We hope that this sporting meeting of European youth, which is great occasion for making friendly acquaintances, will lead to common understanding and strengthening of the world peace.

On behalf of the City of Mariánské Lázně I would like to wish all success to the young golfers and good sporting impressions to the spectators which will certainly remain connected with the remembrances of the pearl of the West Bohemian spas — Mariánské Lázně.

Ing. Jan Příhoda

Mayor of Mariánské Lázně

KARLOVY VARY

Oases of Health Sport and Inspiration

Mariánské Lázně, together with near Karlovy Vary, Františkovy Lázně and Jáchymov belong more than five centuries to the top of the world balneology. Present times gave these health resorts not only the most modern balneological facilities, skilled physicians and well trained medical staff but also new possibilities for a really active employment during a leisure time. This holds true of Mariánské Lázně more than of any other spa. Both perfect golf, links and tennis courts — where the international championship "Gale Cup" is held every year — attract the world's attention.

Find out for yourself that going in for sports in the West Bohemian spas means going in for better health as well.

Detailed information on indications in all spas is to be requested on the following address:

Balnea, Representation of Czechoslovak Spas
and Mineral Springs, Pařížská 11, 11001 Praha 1

RULINGS

QUALIFICATION OF PLAYERS

to be eligible:

the players of each team shall have to be:

- a) golfers under the R & A Amateur Status Rules approved by the E.G.A.
- b) national citizens of the country they represent, or in case of double nationality, must not have played before for any other country's national team
- c) for Junior Championships, competitors must not be 22 years of age on the 1st September of the year in which the Championship is played.

FORM OF PLAY

Team will include 6 players maximum. Each team will have a Captain who may be either a player or a non-player.

The Championship will have two phases:

1. 36 holes Medal Play qualifying
2. Match Play within flights

1st Phase

- a) 2 qualifying rounds of 18 holes Medal Play which will be played in 2 consecutive days the Wednesday and the Thursday.

Draw for the Medal Play qualifying will be made in "twos" by nations (every 8 minutes).

Captains may place their players in any order they wish on both days but will have to notify the Championship Committee of the ranking of their players into the different positions in the draw.

- 1) on the Monday afternoon before 18,00 for the Wednesday starting time
- 2) on the Wednesday afternoon before 18,00 for the Thursday play
- b) the 5 best scores out of 6 will count each day
- c) the total aggregate of the 10 scores per team over the 2 days will constitute the final team's score
- d) ties: In case of a tie: the lowest total of the 2 scores which did not count will prevail. Should there be another tie, the best aggregate of the lowest score each day will prevail. Should a further tie occur, the best aggregate of the 2nd best scores etc. . .

2nd Phase

From the results of the qualifying rounds the teams are ranked into flights of 8 whenever possible and will play in knock out Match Play following the draw hereafter:

2 v 7
3 v 6
4 v 5
1 v 8

each team match will consist of 2 foursomes and 5 singles.

Within flights of 3, 4 or 5 countries competing, it may happen that some countries have won the same number of team victories. In this case, the greatest number of matches won in each team match will prevail, for instance: in a flight of 3

B beats C (5/2), C beats A (4/3) and A beats B (4/3)

each country has 1 victory, but, B having won 8 matches over all will be ranked before A who has won only 7 matches and C who has won only 6 matches.

Should there be a further tie (in the case of all matches being won 4/3 for instance), the greatest number of holes won will then decide.

ORDER OF PLAY FOR THE MATCH PLAY

The Captains will have to hand to the Organising Committee at about 18 hours the evening before each match, the names of the players of their team for the Foursomes and Singles in their Order of play:

for the Foursomes stating number 1 and number 2

for the Singles ranking the players numbers 1-2-3-4-5 and reserve.

SUBSTITUTES

The Championship Committee must be notified immediately of any changes in a team.

FOURSOMES

The Foursomes pairings can only be changed in case of illness or accident. In this case, the order of the pairings must remain unchanged. The player — or players — indisposed being replaced.

SINGLES

If the reserve has to be brought in the next day, it will be done under the principle that the reserve must play last.

For instance, in the case that in the order given 1, 2, 3, 4, 5, n-3 has to be replaced:

1 and 2 will play as foreseen,
4 will become 3,
5 will become 4,

and the reserve will become number 5.

Each match will be played until there is a winner.

Any extra hole being played must be completed even if the final result of the team match is known while an individual match is still in play.

At the end of their 18 holes or any extra hole, if the players are still all square and the final result of the team match is already known, the players in competition should call their match a half and each team would benefit half a point.

ASSISTANCE ON THE COURSE

Only the team Captain can assist a player on the course within the limits of the Rules of Golf.

In any case, no advice whatsoever can be given by him or a Member of the team during play and if the Rule is not followed, the penalty will be applied.

A teammate carrying a competitor's golf bag will only be allowed to do so from the first tee and in no way, a teammate can act as caddy during a round if he has not started this round as the recognised caddy.

N.B.

the increased appearance of supporters, coaches and professionals makes it necessary to put this reminder in the Rulings.

SLOW PLAY

The Technical Committee insists near the Championship Committee of any European Event so that slow play should be watched very carefully.

It is reminded that the **maximum given time** for a 2 ball Medal Play or a match play Foursome or Single is just short of 3 hours and 20 minutes.

Instructions will be enforced so that these maximum given times, be strictly watched and that anyone being outside these time limits will suffer the penalty foreseen in the Rules of Golf (Rule 37/7).

The Championship Committee will held a Captains' meeting on the Monday afternoon to enforce these rules and to issue local rules if necessary.

Each Golf Union or Association will be responsible for the Members of its team complying with the Amateur Status Rules.

PRIZES

- a) The Trophy presented by the European Golf Association shall be held by the country of the winning team for the ensuing year, which country shall bear the cost of printing, insurance and maintenance of the trophy.
- b) Cups shall be awarded by the E.G.A. to the players and Captains of the winning and runner-up teams and a similar Cup will be presented to the organising Golf Club as a souvenir of the Championship.
- c) Souvenirs will be presented to all participants by the organising country.

COMMITTEE

The Committee of the Championship will be the Technical Committee of the E.G.A. in consultation with the host country.

A Referee can be appointed. His decisions will be final.

The Technical Committee of the E.G.A. will act as sole authority for the organisation as well as for the running of the Championship itself and may bring whatever alterations which might be thought necessary to the above regulations.

Jean-Louis DUPONT
Honorary Secretary
